ALGONQUIN PARK is the ideal place for camping. By joining Madawaska Sunshine Camp, your children will gain a unique experience in a gorgeous wilderness area. Our 20 acre grounds, on the banks of the Madawaska River, include wild forest, 600 m of sandy beach, and modern two storey chalets. Four campers share each room, with a 24 hour counsellor available in the same building. Our accommodations have modern baths, showers, and toilets per two bedrooms.

Campers are served three healthy homemade meals per day plus evening and morning snacks. Please advise us of any special dietary needs.

Children have a wide range of camp activities to choose from, all supervised by our enthusiastic and professional staff.

We will do everything possible to ensure your children's stay with us is safe and enjoyable. We have a qualified health care professional on staff and Barry's Bay Memorial Hospital is just 27 km away.
